The Museum of Contemporary Art San Diego (MCASD) is the region’s foremost forum devoted to the exploration and presentation of the art of today. We welcome all audiences to reflect on their lives, communities, and the ever-changing world through the powerful prism of contemporary art. MCASD’s dynamic exhibition schedule features a vast array of media in an unprecedented variety of spaces, along with a growing dedication to community experiences and public programs. As a cultural hub, MCASD seeks to catalyze conversation in our region.
